The HYPOCRITE BOASTED OF  
OWNING HIS OWN HOME and that  
HE WAS NOT LIKE other men. The  
POOR PUBLISHER WAS GLAD TO BE  
ALLOWED TO BE ALIVE and TO  
BREATHE FREE AIR.

The world MOVES on confidence.  
We must TRUST each other. There  
are more than a THOUSAND differ-  
ent articles and different qualities  
and different prices of goods in any  
first-class grocery store.

It is easy to pick out a few articles  
and advertise a price and then sell  
all the others for a long profit. It is  
also easy to advertise a low price and  
get customers and then weigh short  
to make a profit. Not one woman in  
every fifty ever weighs what she buys,  
therefore she never knows how much  
she pays. Every wife and mother  
should be careful in buying for her  
husband and children. She should  
buy nothing but the best and should  
know that she gets the best price.  
We want the word "Traders" to mean  
that you must be pleased or your  
money back. We do not ask you to  
TRUST us, we only ask you to try us.

We run our business on the least  
possible expense, therefore we can sell  
for less. We find it IMPOSSIBLE to  
handle our trade properly on Satur-  
days, therefore we EARNESTLY ask  
all who can CONVENIENTLY do so  
to come early. We do our best, but  
people come in such great numbers  
that we can not give them the care  
they deserve.

We have a large line of Star Brand  
Shoes, "NO BETTER MADE." We  
carry SWEET ORR work clothing.  
We are putting on a fine line of DRY  
GOODS of the BEST STAPLE quali-  
ties. Please come and see them. Our  
prices are right. We handle nothing  
but the best meats. Please remem-  
ber, money back at all times if not  
pleased.

## Architect Making Good

The above is the likeness of S. L.  
Morris, architect and builder, who has  
made a splendid reputation in his work  
at Okmulgee. A graduate of the Tus-  
kegee Institute, Mr. Morris has gone  
out into the world with that ever-do-  
well spirit which seems to be a virtue  
with students of that noted school  
and step by step has climbed up to  
success with credit to himself and his  
school. Some of the best buildings in  
Boley stand as monuments of this  
young man's ingenuity and some of  
Okmulgee's best business buildings  
are bearing the trade mark of his  
work. He does all of his own blue  
print work and superintends the work  
from start to finish.

He is ready to do work in any part  
of the state. Those who contemplate  
buildings would do well to consult  
him. Mail addressed to him at Ok-  
mulgee will reach him.

## A Jungled Race

Chas Johnson, real estate dealer  
of 216 E. Archer, Tulsa, is leading  
the boys a jungle race among the  
dealers and some lawyers of Tulsa,  
Oklahoma, trying to secure 640 acre  
of oil and gas leases b t among the  
many hard knock and competition  
Chas. Johnson, arrived in the city  
late in the afternoon from Creek  
County bringing the bacon home in  
the shape of 640 acres of oil and gas  
leases in the new oil field Chas  
Johnson, must doubtless be shrewd  
long winded and energetic, among  
the many competitors he won the  
race, and brought the certified copies  
of leases with him, to save his friends  
time and money from trying to run  
after the bell had tapped. For fur-  
ther information call Chas. Johnson,  
at Phone 3337.
